KATHLEEN SEBELIUS, GOVERNOR

Memorandum

Date: January 9, 2004

From: Governor Kathleen Sebelius

To: All State Employees

On Monday, January 12, at 7:00 PM, I will present the State of the State address to Kansans. The information I am sharing will directly affect you as state employees. I want to be sure you know that there are several opportunities to watch, listen, or read the speech, as well as the budget I will propose in the 2004 Legislative session.

The address can be seen live on the three Kansas-based public television stations, KPTS Wichita, KTWU Topeka, and Smoky Hills Public Television. Sunflower Cable 6 in Lawrence will also broadcast the speech live. Radio stations across the state will also carry the speech live: AM 580 in Topeka, Kansas Public Radio in Lawrence which will include KCUR-FM in Kansas City, MO, High Plains Public Radio in Garden City, and KMUW-FM in Wichita.

You can also listen live to the speech online at www.ksgovernor.org or www.accesskansas.com. INK will be providing voice streaming of the State of State. The speech, budget and my education plan will be posted on the Web site shortly after I begin the address.

I encourage you to listen, watch, and read as we begin another exciting Legislative session and as we work to serve Kansans better. Thank you for your continued service to the people of Kansas.
